1. (Unclassified - PLC) Called George Gilbert, OMB, and inquired as to whether we would have to resubmit our legislative proposal to protect intelligence sources and methods, which we submitted to OMB in the last Congress. Since our proposal has been revised in coordination with the Justice Department, he suggested that we make a new submission to OMB for the 94th Congress when coordination is completed.

2. (Unclassified - PLC) Left with Cindy in the office of Representative William H. Harsha (R., Ohio) a suggested reply to a letter from a constituent who asked for the address of the Agency office [redacted] The reply furnished the Agency's headquarters address to which the constituent could correspond. 25X1 25X1

4. (Confidential - FMC) Called Berniece Kalinowski, Secretary to Frank Slatinshek, Chief Counsel, House Armed Services Committee, and told her that Mr. Slatinshek had received a complete set of press articles on the allegations of CIA in domestic activities on Thursday, 9 January, when he visited Headquarters for the meeting with the Director, and asked her if they were interested in receiving on a weekly basis press articles on the same subject. Ms. Kalinowski checked with Slatinshek and he said that this would be fine and, in fact, very helpful to the Committee.

1. (Internal Use Only - DFM) Called George Gilbert, ~~OMB~~, regarding S. 4140, which would establish a Task Force on Petrodollars. We had been requested to submit comments to the Senate Committee on Government Operations. Gilbert said it was not necessary for us to prepare comments since the 93rd Congress has ended. He is not forwarding to the Committee the comments he has already received on the bill from other Government agencies.

2. (Unclassified - PLC) Received a call from Christine Clary in the office of Representative B. F. Sisk (D., Calif.), who said their office had received an inquiry from Fresno State University about a bulletin their placement office had received, advertising for mercenary soldiers and listing a reply address in Puerto Rico. In response to Miss Clary's question as to whether we might have information on the matter, I suggested she try the Department of State or the FBI since Puerto Rico is a protectorate.

3. (Confidential - GLC) Clark McFadden, General Counsel, Senate Armed Services Committee, called and expressed interest in the two items which appear in the NID for the 31st and today on Vietnam. He asked if he could get copies of the texts of those articles; is taking care of this. 25X1

4. (Confidential - GLC) Dropped by to see Ed Braswell, Chief Counsel and Staff Director, Senate Armed Services Committee, and talked about plans for the Committee's hearings on the Agency's involvement in domestic intelligence. (See Memorandum for the Record for details.)
